Description

A very rare version of the so-called “spider Wood dial” from the Must collections, crafted in vermeil (925 silver

with gold plating).

Rectangular case with a smooth back, screwed at the back and along the middle (hallmarked, signed, and numbered). Chocolate brown marbled lacquered “Wood Dial” with Cartier logo at 6 o'clock, gold-plated sword-shaped hands, and a sapphire cabochon crown.

Brown lizard leather strap with a vintage gold-plated Cartier pin buckle.

Movement: Mechanical manual winding caliber signed CARTIER / 2512 based on Eta Swiss.
