Description

Mythical pilot's chronograph in a racing version.

Barrel-shaped steel case with brushed bezel and screwed back with patinated Seamaster seahorse logo (signed and numbered). Matte black dial with orange checkerboard minutes bezel and tachymeter bezel graduated to 60 (screen-printed on mineral glass). Three circled and patinated counters (small seconds at 9 o'clock, hours at 6 o'clock and minutes at 3 o'clock, large orange chronograph second hand). Luminescent skeleton hands and painted tritium eggshell indexes.

Three straps, a vintage rally-style leather strap, a black sports leather strap with red stitching and a rubber strap with deployant buckle (both T.O.T. -branded).

Movement: Mechanical manual winding caliber signed Omega / 861 Swiss.
