Description

Rally pilot chronograph “Calendar - Date” in steel with beveled lugs, black monobloc bezel (with tachymeter

scale) and clipped back (numbered and engraved with the Speedmaster logo).

Black rally dial with three hollowed-out counters: hour totalizer at 6 o'clock, small seconds and 24-hour display at 9 o'clock, small minute counter and day and month windows at 12 o'clock (in English), date display via white mirage hand on the dial flange. Applied and patinated indexes, white luminescent skeleton hands, chronograph arrow seconds hand in the center.

Original brushed mesh OMEGA steel strap with deployant buckle, a rally leather strap and a black T.O.T. pilot leather strap.

Movement: mechanical automatic winding caliber OMEGA / 1151 (modified Eta 7751 base) Swiss.
