Description

Mythical complication watch from the Master “Calendar - Moon Phase” collections, tested and certified for

1,000 hours.

Classic steel case with smooth bezel and screwed back with sapphire crystal (movement decorated with Côtes de Genève, signed and numbered). Silver sunburst dial with applied spear shaped indexes and luminescent dauphine hands. Functions: moon phase and small seconds hand at 6 o'clock, full date on the dial flange (read with the red crescent hand), day and month window at 12 o'clock in English (adjustable on the case middle).

JAEGER-LeCOULTRE black alligator strap with original JAEGER-LeCOULTRE deployant buckle, as well as a gold ostrich leather strap with pin buckle.

Movement: Mechanical automatic winding caliber signed JAEGER-LeCOULTRE / 891/2 – base 448 (22-carat yellow gold balance wheel) Swiss.
