Description

Mechanical diving watch from the “Amirauté” sports collection (without the naval anchor logo at 6 o’clock).

Round steel case with a flanged crown and screwed back (signed and numbered, Waterproof). Exceptional condition for the burgundy red two-way rotating bezel with patina and graduated to 60 (with a marker at 12 o'clock). Burgundy red dial with painted Tritium indexes and luminescent skeleton hands, large red seconds hand.

Three straps: a vintage rubber strap, a brown leather strap, and a red patinated leather strap with a pin buckle.

Movement: Mechanical manual winding caliber signed OMEGA / 601, numbered (Swiss).
