Description

Large aperture diver’s watch in satin-finished steel, with beak-shaped lugs and a screwed back (decorated with a

"fleur-de-lis", signed and numbered).

Unidirectional rotating bezel overmolded with blue rubber, LumiNova capsule at 12 o’clock. Black screwed crown with a 1/4-turn mechanism at 2 o’clock. Navy blue dial with two hollowed sub-dials, large applied indexes and luminescent sword-shaped hands. Functions: hours, minutes, retrograde power reserve indicator for 88 hours at 8 o’clock, and a small hollowed seconds sub-dial at 4 o’clock (red hand).

PEQUIGNET blue-stitched canvas strap with original satin-finished steel pin buckle, and a navy blue PEQUIGNET rubber strap with a deployant buckle (new).

Movement: Mechanical automatic winding caliber signed PEQUIGNET / Caliber Royal produced by the manufacture.
