Description

A large rectangular reversible steel watch with a transparent sapphire back and visible movement.

Fluted bezel and back screwed onto the side of the case (signed and numbered). Silver Art Deco-style dial with a "guilloché" center displaying hours and minutes, and a small hollowed rectangular sub-dial for the small seconds at 6 o’clock, with blued steel sword-shaped hands.

JAEGER-LeCOULTRE used strap in black alligator leather—one vintage-style 1930s custom leather strap with an original signed deployment buckle, and one blue sport leather strap with a pin buckle.

Movement: Mechanical manual winding JAEGER-LECOULTRE Caliber 976 (48 R Marche) with 19 Swiss jewels.
